

**National Archery in the Schools**  
**Participant Package**

**2022 - 2023 Season**

## **National Archery in School's Program (NASP)**

Clear Vista School will be participating in the National Archery in Schools Program (NASP).

The CV Vikings Archery team welcomes you to participate in the archery team for the upcoming season. We are asking all students from grades 5-8 who are interested, to fill out the application form attached. No previous archery experience is needed to join the program. We remind you that this is a fun, enjoyable learning experience for all. Even though this is called a competition, all students should realize that scores are not the most important component of this experience. If students are considering not taking this program because they are worried about how they shoot, we assure them that scores do not matter. The most important thing is that students are trying something new, are working towards their own personal goals, and having fun.

We may participate in three or more of the following tournaments this year, dates TBA:

- Stettler Nockbuster
- Gus Wetter Tournament Castor
- Provincials - Edmonton Boat and Sportsman show
- Ardrossan Bisons Invitational
- Wetaskiwin Sabres Invitational
- 

In order to be eligible to participate in these tournaments students must regularly attend practices and follow/obey all rules.

### **Cost of NASP Program**

\$200 per student Includes:

- our team T-shirt/Jersey
- Approx, 20 practice sessions
- Up to 3- tournament fees and busing costs
- Additional fees may arise in the season for extra tournament entry fees and transportation

### **Coaches**

Keith Duncan, Tiffany Johnson and Kelly Kijewski

### **Practice Times and Location**

Practices will begin: Tuesdays starting October 11, at Clear Vista School in the Gymnasium, and finish by April, 2023. Practice will be from 6:30 - 8:00 pm.

1st Practice will be Tuesday Oct. 11, 2021 from 6:30 - 8:00 pm

### **Archery Equipment**

The only requirement is closed toed footwear. The school has all the necessary equipment for the students to participate in the Archery program. All students must use NASP equipment to compete in this program. This includes Mathews Genesis bows and specific arrows. This is standard throughout the entire International NASP program. Students may purchase equipment for themselves. Contact one of the coaches for more information.

### **Communications**

Parents interested in helping coach or receiving certification can contact Keith Duncan.

Permission Forms and Registration for Archery can be filled out on PowerSchool and should be completed before the first practice.
