

APRIL

Welcome to the April edition of our school newsletter!

March's Assembly Highlights:

March's Student Recognition Assembly was filled with excitement and heartwarming moments! We had the honor of welcoming a representative from the Stollery Children's Hospital, where we proudly presented them with a generous cheque for over \$16,000 raised by our school community. In addition to this special occasion, we recognized multiple students for their outstanding acts of kindness throughout the month, showcasing the true spirit of compassion at our school. Students were also celebrated for their exceptional sportsmanship, highlighting teamwork and respect. To wrap up the assembly, staff and students faced off in a thrilling relay race around the gymnasium. Of course, the students came out on top, claiming victory in this fun-filled challenge! It was a fantastic way to celebrate all the incredible achievements in our school this month.

WHA go to an Oil Kings game!

Our Wetaskiwin Hockey Academy students, along with the LA3 class, had an exciting trip to Rogers Place to watch the Oil Kings play! The students enjoyed the action-packed game and cheered on their team, creating lasting memories and building school spirit. It was a fun and engaging experience for everyone involved!

Basketball Wraps Up!

The 2025 basketball season concluded with a fun pizza party and an exciting final game against Clear Vista staff. The girls team earned silver, while the boys team showed tremendous effort and determination throughout the season. Both teams ended on a high note, celebrating a successful and memorable season together!

Beppie Performance!

Clear Vista was buzzing with excitement as Beppie, a two-time JUNO-nominated children's musician from Edmonton, performed for our K-3 students! We were thrilled to welcome students from Norwood, Parkdale, Griffith-Scott, and Queen Elizabeth who joined us for this special event. Beppie's high-energy performance captivated our students, with songs that were both fun and meaningful. Drawing from her experience as a parent and educator, Beppie brought humor, warmth, and important life lessons to the stage. Her music inspired students to express themselves, explore their emotions, and embrace their unique identities in a positive and inclusive way. It was truly a memorable experience for everyone!

Pokemon Club Starts Up!

The Pokémon Club is now live for grades 4-8! Students meet every Day 4 after school in the Home Ec Lab until 5pm for exciting trades and battles! A huge thanks to Mrs. Janele for supervising, and to a creative Grade 8 student for bringing this awesome idea to life. Whether you're a Pokémon fan or just looking to connect with friends. Don't miss out—catch 'em all with us!
